

COMPANY PROFILE · KENYA

Enduring enterprises for essential needs.

Toughwood Group builds and supports businesses across food, property and education - sectors that move communities and economies forward.

Tough Wood Limited · Established 2019

TOUGHWOOD GROUP · COMPANY PROFILE 2026

Rooted in enterprise. Growing with purpose.

Toughwood began in 2019 as a mother-and-son agricultural enterprise. Working close to the realities of production, customers and markets established a practical approach that still guides the group today.

The portfolio now spans agriculture, property and education. These sectors are different in form but connected by one idea: essential systems create the foundations for durable growth and stronger communities.

OUR PURPOSE

Build enduring enterprises around essential needs.

01

Food

Agriculture that connects production, markets and dependable food supply.

02

Property

Places and technology that help people trade, work and manage assets.

03

Education

Learning environments that build knowledge, discipline and confidence.
